# Executive Range

Quilton Tissue products are renowned for not only being very luxurious but also high quality tissue products at a very affordable price and are FSC accredited. Quilton toilet and facial tissue are produced using the latest 3 ply micro-quilting technology to create a perfect combination of softness and strength for both the domestic and commercial markets.

Quilton appears in ABC's Executive range; single wrapped toilet tissue, double length toilet tissue, facial tissues and ABC's latest innovation, 99% lint free dispenser paper towels. This range also incorporates Optimax interleaved hand towels, premium centerline roll and the superior range of Clothex serviettes.
